

Ideal First Date

Chase Osborn

Where to go

Texas Roadhouse, and Baskin Robbins for ice cream. The Baskin Robbins I'd go to is in the mall, so we could walk around and shop while eating ice cream.

What to wear

Something nice but comfortable.

- T-Shirt
- Shorts
- Nike shoes

Unless its cold, then it would be in jeans and with a hoodie.

Who goes

Mom if she has nothing to do and wants to get out of the house, or my best friend and his date

How long

Long enough to eat and chat, so 1 ½ hour to 2, and then another hour for ice cream and to walk around the mall.

How much to spend

Enough to pay for myself and my dates meal, and then enough for ice cream for myself and her, including cash for the mall. So over \$100

Curfew

Around 9-10 P.M. if it started at 5, unless the date's parents want her home earlier. Maybe earlier if the date ends earlier than expected, or if we feel like impressing our parents.
